During 1992 - 2000, community of National Choir recognizes of UNSRAT Student Choir. In its eight year actions of various national competitions, this choir succed to reach the achievements. This team is inactive because of their having completed study and work workload since 2000. The old members are the non-active in team. virtually they still exist in singing as their hobbies.

In 2001, they sang at the wedding ceremony of the member who ever been at PSM UNSRAT. it was the first reunion. as the follow up, they held some practices and meetings for their hobbies and to face each other continuously. They did it for singing at some moments and events such as the wedding party, anniversary, baptized and some religious ceremonies in church etc.

"U" was inspired by the initial of UNSRAT itself as most of them are the graduation of Sam Ratulangi University. Firstly, U-Choral was used in December, 8th 2001 at Manado Post Choir Festival. That moment was considered as a day of forming U-Choral.

Now, U-Choral has 35 singers and it is directed and conducted by Jeffry Singgly Frans Sumaraw
